

## MAEGAN ELAM, DDS

Dr. Maegan Elam was born and raised in Southlake, Texas and has proudly served Bedford and the surrounding communities for more than 10 years. She earned her dental degree from University of Texas Health Science Center at San Antonio, where she was actively involved in student organizations and honored with a Clinical Excellence Award.

After dental school, Dr. Elam and her husband returned to the DFW area, and in 2018 she became the owner and solo practitioner of the practice after spending five years here as an associate. Dr. Elam is known for her gentle approach and genuine compassion, with a special heart for anxious patients. She takes pride in creating a welcoming, comfortable environment where patients feel heard, cared for, and confident in their smiles.

Dr. Elam and her husband, Jordan, have been married for over 17 years and have two wonderful children. Their family is active in their church and enjoys being involved in school and community activities, where Jordan teaches and their children attend. Outside the office, you'll often find them cheering from the sidelines at soccer games or gymnastics meets, or planning their next family adventure, travel is one of their favorite ways to make memories together.
